NIIT Foundation (NF) is a not-for-profit education society setup by the promoters of NIIT with a mandate to reach the unreached, uncared, unattended to ensure inclusive development in India. To shape the mandate, it has begun a number of programs to positively impact the underprivileged of the country. NIIT Foundation makes critical interventions towards upgrading the skill base and employability of marginalized youth – in urban slums and rural areas.
NIIT Foundation, a not-for-profit organisation operational since 2006, plays the role of a change agent for an inclusive society. Our vision is to enable the underprivileged realize their hidden potential and become self reliant by acquiring the necessary skills to be gainfully employed.

**We believe**

*EVERY STUDENT MATTERS*

Inclusive growth is sustainable

We have the expertise and ability to engage the learners emotionally in the process of learning and to impart the contents of learning with clarity and authenticity. Each student represents a unique combination of abilities and educational needs. There is no discrimination in student selection, training, and placement processes.

**What we do**

We provide short-term yet comprehensive employability training to youth through our NIIT Yuva Star centers and then backs it up with employment opportunities just after the training. We use technology extensively to address the constraints of costs, quality teachers and reach.
